

recruiting church planters FOR SEPTEMBER 2017

ARE YOU WILLING TO GIVE YOURSELF FOR THE GOSPEL IN A CITY IN NEED OF CHRIST?

London needs Jesus Christ... and many more churches to spread His gospel.

The Antioch Plan, in partnership with Co-Mission, aims to plant and establish many new Bible believing churches across London. During the three year Antioch programme, we provide planters with training, coaching and pump priming finance. And the prayer support of an entire network of reformed evangelical churches.

Could you plant a church in our spiritually desperate city?

We are looking for men who are:

godly (*servants of Christ and His word*)

mobile (*flexible and willing to move*)

robust (*up for a costly challenge*)

able (*to learn how to teach God's word, disciple new believers and gather a church*)

relational (*able to give yourself to people*)

willing (*to earn and raise some finance*)

To learn more about becoming an Antioch Planter, visit our website, read our Statement of Faith, and then email us for an information pack which contains all you will need to apply.
